

**Creatively
solving the
high cost of
healthcare.**

motivhealth®

The Most Dangerous Phrase
in American Healthcare is:

**“We’ve always done
it this way.”**

What has the status quo gotten us...

\$11,582

The US spends per person, per year on
healthcare.

\$4.01 T

What the US spent in 2020 for healthcare.

13,185%

Increase in per capita prescription
spending since 1960

55%

The percentage of every healthcare dollar
spent on hospital or specialty care

Highest Per Capita Spending

The US has the highest per capita healthcare
spending in the developed world.

**What are the right
changes to focus on
for healthcare?**

THE CHANGE

HEALTHCARE NEEDS

1

Lower Costs

2

Transparency

3

Proactive Consumerism

Engagement

Prescription Assistance

**Spending \$200 or more
on medications?**
