

VACCINATION SCHEDULE

COMPLETE**

ECE staff, school nurses, teachers and staff working in center programs for students with disabilities, OT/PTs, and safety staff

Team members in this group should check their DPS email to set up a vaccine appointment

IN PROGRESS

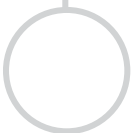

All school-based staff*

All DPS Team members over age 65

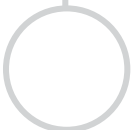

All DPS Team members who have an accommodation (medical or family member)

*Schools are being scheduled for their vaccination day based on highest need (FRL%). **ALL STAFF** at each school (teachers, aides, office staff, cafeteria and operational staff, etc) have the opportunity to receive the vaccine, starting with the staff who responded YES to the vaccine survey sent by DPS.

If you didn't respond YES to the survey and would now like to receive the vaccine through DPS, please contact your manager.

Central Office Team members spending time in schools

Remainder of Central Office Team members

**All staff in this group who expressed interest in receiving the vaccine through DPS have had the opportunity to receive their first dose and schedule their second dose.
