Memorandum

TO: School Leaders

Thru: Nicole Portee, Executive Director of DPS Transportation Services

From: Tricia Fiut, Transportation Routing Manager

DATE: January 17, 2019

SUBJECT: Boundary Stops for SY2019-20

As you and your school prepare for School Choice, DPS Transportation Services would like to provide you with important bus stop information for the 2019-20 school year. Enclosed in this memo are your school’s boundary bus stops that are guaranteed each year provided eligible students are using the service. We ask that you keep this document for internal use only.

The boundary bus stops listed provide eligible students with transportation access to your school. Students that are eligible for transportation are generally those that live and attend their home boundary school, and are located outside of the walk distance for their grade level. Bus stops that are in place to service a special needs student are not included in this list as they are not guaranteed year-over-year. As a reminder, please do not share the address associated with a bus stop that is in place to service a special needs student as this is frequently the student’s home address.

Students that choice out of their home/boundary school are not automatically eligible for transportation and can complete the online Exception Request form via the Parent Portal prior to the start of school.

We hope that you find the enclosed information helpful as you address questions you may receive from families, students and community members. Please keep in mind that additional eligibility factors may apply to a particular student’s situation.

Questions regarding the enclosed stops and any other routing and eligibility-related questions should be sent to Tricia Fiut at tricia_fiut@dpsk12.org.
Table of Contents (Click on the school name to view the boundary stops)
