BETWEEN
SCHOOL DISTRICT #1
DENVER PUBLIC SCHOOLS
AND
DENVER CLASSROOM TEACHERS ASSOCIATION**

Article 30 - Benefits Allowance and Benefits Programs

30-1 Benefits Allowance. The District shall provide teachers with a benefits allowance as a part of their total compensation package, consistent with the conditions in 30-1-1. The purpose of the benefits allowance is to provide teachers with a portion of total compensation that can be used to purchase benefits choices selected by the Benefits Board and contracted for by the Board of Education. ~~The District and the Association also agree that the purpose of the benefits allowance is not to merely provide an amount equal to the premiums of health, dental and vision insurance.~~ The long-term goal of the District and the Association is to provide teachers with a benefits allowance that plays a significant role in enhancing the District's competitive position in attracting and retaining teachers.

30-1-1 ~~For the period of July 1, 2008, through June 30, 2009,~~ the District shall provide all teachers based on FTE on a pro-rate basis with a benefits allowance of ~~\$422.17~~\$405.00 per month. Teachers working less than full time will receive the benefits allowance pro-rated by their full time equivalency (FTE). Effective 6/1/18 July 1, 2018 all new employees to the bargaining unit must purchase one of the District's major medical plans in order to be eligible to receive a benefits allowance. Any savings resulting from this change to the benefits allowance structure that starts in 2018 will be applied to reduce future health care costs for employees insurance and other benefit costs. Using these savings, beginning with the benefits year starting July 1, 2018, the District will decrease the premiums for Employee Plus Children and Family coverage by at least \$1200 annually (\$100/month) on top of the \$750 a year (\$62.50/month) that the District is currently subsidizing these premiums. Therefore, the total subsidy for these plans will be at least \$1950 annually.

30-2-1 The Benefits Board will be responsible for any and all benefits programs assigned to it by this contract, and shall make every effort to provide programs in the best interest of both the District and its employees. efforts, education of employees, and consultation with actuaries and health care provider programs.

During odd years, eight (8) members will be appointed by the Superintendent. During even years, nine (9) will be appointed.
