YOU HAVE SUCCESSFULLY COMPLETED THE ELA REGISTRATION PROCESS!

After Registration

- Remember the following processes for PPF Option 3:**
 - PPF Option 3 is only available after a student is WIDA Screener or W-APT tested, assessment results are mailed to parents, and parents confer with the classroom teacher and/or administrator. Verify that the school Administrator has completed the bottom portion of the sheet titled "For Internal Use Only", as the reasons for waiver of services need to be fully explained. Do not process a PPF Option 3 form without this completed section.
 - Contact Joan Wamsley, joan_wamsley@dpsk12.org to request a PPF Option 3.
 - Print a [Parent Choice Office Log](#) to document Option 3 students. This is an auditable document, and must be filled out completely.
