Pay for time worked outside of your contracted Work Year will be handled separately - please discuss with your principal

Reporting Period for Absences

Absences are reported from the 15th of the previous month to the 14th of the current month

Sick Leave

You accrue one sick day per month on the last day of each month for 10 months (Sep-Jun)

Sick leave hours can be used in 1/2 hour increments

Sick leave is not paid out at time of separation

Sick leave balances carry with you from year-to-year and there is no maximum balance

Personal Leave

Full accrual given in September

You earn 1 personal leave day in September for 1st semester and 1 personal leave day in January for 2nd semester

Unused hours roll into sick leave hours at the completion of your scheduled work year.

Personal leave balances are not paid out at time of separation

Flex Days:

7 flex days are given for the full year

Flex days are not part of your annual base salary. Unused flex time will be paid out at the completion of your work year in July.

Late Appointment calculation for employee starting any day after 7/29/16:

If your start date is later than the first day of the school year, you are considered a "late appointment"

Your pay will be pro-rated based on the number of days you will actually work out of the contracted school year (200 days)

Pro-Rated Salaries are paid in equal installments over the remaining months in the contract payment year

To calculate your pro-rated salary:

1) Annual Salary / 200 = Daily Rate (EX: Start date January 4th: \$30,000 annual salary / 200 = \$150 Daily Rate)

2) Daily Rate * the # remaining days in the work year = Pro-Rated Salary (EX: \$150 * 107 Days = \$16,050.00)

3) Pro-Rated Salary / remaining months in payment year = monthly gross

(EX: \$16,050 / 8 months = \$2,006.25 to be paid January 31 - Aug 31)
